Docket No. MC2000-2

NOTICE OF UNITED STATES POSTAL SERVICE
OF FILING OF LIBRARY REFERENCE USPS-LR-4

The United States Postal Service hereby gives notice that it is filing today the following library reference:

USPS-LR-4/MC2000-4 Mailing Online Printer Solicitation (Chicago)

This document was requested by the Presiding Officer, most recently at Tr. 2/248. Counsel had been planning on filing the solicitation for the New York print site, once an amendment had been applied. However, the Chicago solicitation, which integrates the amendment also being applied to the New York solicitation, has become available first. As contracts are finalized, they will also be filed as library references.

This library reference falls within Category 3, reference material. Since it has been requested by the Presiding Officer, its use will be facilitated as a library reference. The relationship between this material and the subject of this proceeding is self-evident. At present, the Postal Service has no expectations that this material will be entered into

the record. An electronic version is also being provided.

Respectfully submitted,

UNITED STATES POSTAL SERVICE

By its attorneys:
